

W. HAMMOND

The Original Whitby Jet Shop
Est 1860

To accurately use the guides below, this document must be printed at 100% size. Please ensure 'fit screen' or 'shrink to page' are not selected as your print options.

Ring Sizer

Ensure when printed this edge is 160mm

Measuring a ring size

- 1 When printed measure the grey area (at the top of the page) to ensure the dimensions match.
- 2 Hold your ring against the chart and choose the letter that best matches the INTERNAL DIAMETER of the ring. This is the size of your ring.

Finger Sizer

Measuring your finger size

- 1 When printed measure the grey area (at the top of the page) to ensure the dimensions match. Cut out the finger sizer and make a slit where indicated. Push the end through the slit to make a ring shape.
- 2 Place it over your finger and tighten until you have a comfortable fit. Do not pull it too tight, remember it has to slide over the knuckle. The letter indicated by the arrow is your ring size.
